Health and Safety

• HSE Policy

- The health and safety of employees are prioritized.
- Hazard identification and risk assessment works are carried out.
- All employees and subcontractor employees are made aware of health and safety issues.
- Works are carried out to prevent the recurrence of incidents and accidents.
- Legal regulations in force in the country regarding Occupational Health and Safety are complied with.
- Inspections are made by reviewing the HSE Management System practices and the missing issues are developed.
- Kitka WPP has the OHSAS 18001 Occupational Health and Safety Quality Certificate.

Health and Safety

• HSE Target

- Our target is **ZERO OCCUPATIONAL ACCIDENT**.
- We believe that all accidents are preventable with a conscious and educated team with a positive occupational safety culture and precautions taken against all dangers.
- To the target of **ZERO WORK ACCIDENTS**;
 - ❖ If you believe that accidents are preventable,
 - ❖ If you inform the situations that you see dangerous,
 - ❖ And if you take measures

WE CAN REACH!
